Greetings! We are so excited to begin our Fourth Annual Willmar Becker Market! For those of you who joined us last year, we would like to thank you for being part of this wonderful market. For those of you that are new, we welcome you and hope you choose to be involved all 17 weeks! Please make sure you read over the regulations setup by the Becker Market Committee.

The **Downtown Willmar Becker Market** is a market in which farmers, growers, producers and artisans sell their own products directly to the public, allowing customers to have a direct relationship with the producer of the items they purchase. This market will emphasize quality, freshness and originality in an atmosphere of community and music.

Application and Fees:

1. Those wishing to participate in the market must complete an application form and return it with the appropriate vendor fee to the Willmar Design Center (WDC) before consideration for participation in the market.
2. The WDC shall review and approve all vendor applications before the vendor can participate in the market. Space at the market and the items a vendor offers will be factors in determining approval.
3. Remember the market is there to promote “home grown” and “hand-made” products only.
4. Fees for unaccepted applications will be returned promptly.

1. Food may be offered for sale by local restaurants and caterers.
